## **Queeny Park Horse Trials**

Sponsored and Organized By:  
Queeny Park Equestrian Events, Inc.

### **Welcome to the Queeny Park Horse Trials!**

In 1978, my late friend Wayne C. Kennedy, former Director of St. Louis County Parks and Recreation, decided to build a cross-country course at Queeny Park (after he had attended the 1978 World Championships at the Kentucky Horse Park); he felt Queeny Park had the rolling terrain necessary for a good Event. Queeny Park Equestrian Events has run the Horse Trials ever since. Our board and volunteers work very hard all year long to produce an excellent Trials for you and your horse in this lovely park we call home.

This year, our course designer William Roberston is changing up the XC course! So expect some new fun on XC. We will continue to host the stabling and the Dressage and Stadium phases at the NEC, as it was wildly popular last year.

Have a great weekend, and if you have any questions, please do not hesitate to find me or the secretary, Christy DeMauro.

Thank your volunteers, and have a great ride!

## In Memory of William L (Bill) Haines

1946 - 2021

QPEE has lost a long time Volunteer and Member.

Bill served his country in the United States Navy. He spent over three years of his military career aboard the Hardhead submarine, the SS-365. He embraced his military service and went to reunions with his old buddies often. He was a member of several submariner organizations: Groton, CT, Springfield, IL and Little Rock, AR. Most importantly, he met his future bride Dorothy at a USO dance in New York. Dorothy hailed from New York and moved to St. Louis with Bill after their wedding on December 6, 1969.

Bill was a sheet metal machinist by trade. He worked for the family business Southern Incorporated. Bill could fix almost anything or make anything mechanical from scratch. He could talk mechanics with the best and was a creative, innovative problem solver.

Bill was an enthusiastic and generous volunteer. He gave his time and talent to many organizations over the decades, including the Queeny Park Equestrians, St. Patrick's Day Parade, VP Parade, Tri-Sar, Eureka Search and Rescue, Civil Air Patrol, St. Louis Hamm Radio Operators, and Large Animal Rescue to name a few. He was willing to help out anyone who needed a hand, and became an invaluable asset to any organization he joined.

Bill supported Queeny Park over many years helping whenever needed. He is truly missed.

**Thank you to these  
special friends of  
QPEE**

## Rules for Competitors and Spectators

Unauthorized Assistance – ANY intervention by a third party, **whether solicited or not**, is considered unauthorized assistance and is a ground for elimination. Please don't talk to, point, or in any way assist a rider.

Upon arrival, each horse will be given a number. This number must be worn at all times when the horse is being ridden or exercised.

All riders must wear approved head gear when mounted.

All dogs must be on a leash or tied at all times. Loose dogs can and will be removed from the property and the Park Rangers will be writing Tickets.

Riders are cautioned to stay on the trail while travelling to the Cross Country Venue. Any horses seen on the Cross Country Course will be penalized.

All parking must be within designated areas only.

Motorized vehicles are not allowed in the park. Shuttles are available at the Secretary's Tent.

Camping is not allowed in Queeny Park.

Plan on a a 20 - 30 minute hack from the barn to XC ; use it as part of your warm-up time!

Don't forget your Bridle Number and Pinny before heading to Cross Country and Stadium.

**QPEE STAR VOLUNTEER AWARD**  
**JAIME ALEXANDER**

Each year Queeny Park Equestrian Events honors an outstanding volunteer at our Horse Trials. Queeny Park Equestrian Events is very excited to name Jaime Alexander as our 2022 Star Volunteer!

For the last year Jaime has been very involved in QPEE. She has been a work horse setting, moving, moving and moving again the stadium jumps. Last season she took on organizing the Mini Event and she did an amazing job. This year she is co-organizer of the Horse Trials covering the NEC so Jill can concentrate on Queeny. And you can see her handy work on a new Starter jump! It is a bird house and lovely. Her husband Brad also mows and helps with the heavy lifting!

On behalf of our board, and all the members, volunteers, and competitors of the Queeny Park Horse Trials, we thank you Jamie!

Queeny Park Equestrian Events is on the Web.

## In Memory of Dave Sloop

1941-2021

Dave and his wife Bev have been long time supporters and competitors at Queeny Park Horse Trials.

Dave Sloop was a skilled electrical engineer. He earned a PhD in physics from Washington University with a thesis on an electron spin resonance (ESR) study of the photoexcited triplet state of pentacene. His project was directed by Sam Weissman. Dave's fascination with ESR never waned, and he remained a life member of our the world-class ESR research group at Washington University. His products varied from safety devices in coal-mining to a mattress, fitted out with a grid of pressure sensors and controllers that kept the local pressure below the threshold value that could cause bed sores to develop in chronically ill patients. Dave Sloop was one of a kind.

**A memorial cross country jump is dedicated to his memory at Queeny Park.**

As a 501© organization QPEE is eligible for tax deductible donations through Amazon Smile
